**THE FOLLOWING INFORMATION MUST ACCOMPANY EACH APPLICATION**

1. A site plan which includes: the site with street locations, lot frontage dimensions, building location(s), building frontage dimension, open space dimension, landscaping, location of all existing and proposed signage with setback dimensions from property lines, and the dimensions of said signs.
2. Schematic drawings of the proposed sign(s) which indicate dimensions, height, colors, message, type of illumination, and construction materials.
3. Photographs of the site showing building and proposed location of sign(s).

The applicant and business person hereby agree to indemnify, protect, and save the City harmless from all costs, loss, or damage which may be sustained by reason of the erection, maintenance, use, or removal of the sign(s), and that the sign(s) may be removed as provided in the City ordinances. **The approval of this sign does not permit the violation of any section of this or other City ordinances.** We hereby acknowledge that we have read this application and certify that the information provided is correct. Further, we understand that it is the sign contractor's responsibility to secure a sign permit prior to commencement of any work including fabrication and installation of said signs. A permit should be available in the City Building Department three (3) days after submittal of a complete permit request. The sign contractor **must** call for a final inspection of the electrical work and general construction of the signage from the City Building Department (234-6158).
