- **PUBLIC WORKS DEPARTMENT**

- **BENTON STREET BRIDGE**

- Southbound shoulder on 1st Ave., under the Benton Street Bridge, will be closed periodically for the next few months, as needed, to allow the Contractor to perform work. Benton Street Bridge will be reduced to one lane of traffic each direction over the bridge.

- **WATER DEPARTMENT**

- **PROJECT ON EL RANCHO BOULEVARD AND SPAULDING LANE**

- The City of Pocatello Water Department will continue the project on El Rancho Boulevard and Spaulding Lane.

- The Water Department crew will work between the hours of 7 a.m. to approximately 5 p.m. Monday through Thursday to replace old, obsolete water lines. The City will be installing a new water main line, new fire hydrants and water meter boxes at the front property lines. Work is being done to improve water service in the area and will take approximately eight weeks to complete. The work will also cause short-term disruptions to water service. Individuals in and around the construction zone are encouraged to keep a supply of drinking water available.

During the project, access to the construction area will be restricted to residents only and sections of the road will be completely closed while workers are digging. Residents with questions about the project are asked to contact the City of Pocatello Water Department at 208-234-6174.
