• **FOG SEALING**

Street crews will be Fog sealing the following streets as set forth below. Flaggers will be present to direct traffic and lanes/roads will be closed as work is performed. Motorists are advised to use alternate routes and expect delays in the work areas.

Monday, August 19, 2019

- 17th Ave (Center St to Purkey Ave)
- Clark St (17th Ave to 19th Ave)

• **PATCHING**

Street Operations will continue patching potholes and curb lines in preparation for upcoming pavement treatments, which may require intermittent lane closures and possible temporary road closures as work is performed.

• **ROAD STRIPING**

Street Operations Department will continue striping Pocatello's roads this week. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being done.

• **JETTING STORM DRAIN LINES**

Street Operations will be jetting storm drain lines throughout the city. There may be intermittent lane closures while work is being performed.

• **IDAHO TRANSPORTATION DEPARTMENT:**

I-15 ROAD CONSTRUCTION PROJECTS

- Reconstruction of Rose Road Interchange on I-15. This project will improve mobility and safety on Interstate 15. Construction will be completed in late 2019.

- Northgate Overpass above I-15 is currently under construction and projected to be completed in the fall of 2019.

- **ENGINEERING:** No reports

- **CONTRACTORS:**
 - NORTHGATE**
Continuing, through the end of August, private contractor (IMC), will be closing Chubbuck Road for construction. Closure will be at Fairgrounds Road and Olympus Drive. Motorists are advised to use alternate routes and follow any posted detours.

- **WATER POLLUTION CONTROL:**
 - RAISING MANHOLES August 19TH AND 20TH, 2019**
WPC will be raising manholes and installing concrete collars in the following areas: 900 block of Alameda Road, Sublette Street, Grant Avenue, and Idaho Street. Motorists should expect intermittent lane closures and possible temporary road closures as work is performed.

- **PUBLIC WORKS DEPARTMENT:**
 - BENTON STREET BRIDGE**
Southbound shoulder on 1st Ave., under the Benton Street Bridge, will be closed periodically for the next few months, as needed, to allow the Contractor to perform work. Benton Street Bridge will be reduced to one lane of traffic each direction over the bridge.

- **WATER DEPARTMENT**
 - PROJECT ON EL RANCHO BOULEVARD AND SPAULDING LANE**
The City of Pocatello Water Department will continue the project on El Rancho Boulevard and Spaulding Lane.

The Water Department crew will work between the hours of 7 a.m. to approximately 5 p.m. Monday through Thursday to replace old, obsolete water lines. The City will be installing a new water main line, new fire hydrants and water meter boxes at the front property lines. Work is being done to improve water service in the area and will take approximately eight weeks to complete. The work will also cause short-term disruptions to water service. Individuals in and around the construction zone are encouraged to keep a supply of drinking water available.

During the project, access to the construction area will be restricted to residents only and sections of the road will be completely closed while workers are digging. Residents with questions about the project are asked to contact the City of Pocatello Water Department at 208-234-6174.
