PAVING

Street Operations crews will be paving El Rancho Blvd from Hiline Road to Santa Anita Ave on Monday, August 26, 2019 and Tuesday, August 27, 2019. El Rancho Blvd will have intermittent lane closures with flaggers on hand to direct traffic. Motorists should expect some delays between 7:00 am and 5:00 pm each day. There will be NO PARKING on El Rancho Blvd between 7:00 am and 5:00 pm each day. Cars parked on the street will be towed to the nearest side street.

PATCHING

Street Operations will continue patching potholes and curb lines in preparation for upcoming pavement treatments, which may require intermittent lane closures and possible temporary road closures as work is performed.

ROAD STRIPING

Street Operations Department will continue striping Pocatello's roads this week. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being done.

JETTING STORM DRAIN LINES

Street Operations will be jetting storm drain lines throughout the city. There may be intermittent lane closures while work is being performed.

IDAHO TRANSPORTATION DEPARTMENT:

I-15 ROAD CONSTRUCTION PROJECTS

- Reconstruction of Rose Road Interchange on I-15. This project will improve mobility and safety on Interstate 15. Construction will be completed in late 2019.

- Northgate Overpass above I-15 is currently under construction and projected to be completed in the fall of 2019.

- **ENGINEERING:** No reports

- **CONTRACTORS:**

NORTHGATE

Continuing, through the end of August, private contractor (IMC), will be closing Chubbuck Road for construction. Closure will be at Fairgrounds Road and Olympus Drive. Motorists are advised to use alternate routes and follow any posted detours.

- **WATER POLLUTION CONTROL:**

JETTING SEWER LINES

Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.

- **PUBLIC WORKS DEPARTMENT:**

BENTON STREET BRIDGE

Southbound shoulder on 1st Ave., under the Benton Street Bridge, will be closed periodically for the next few months, as needed, to allow the Contractor to perform work. Benton Street Bridge will be reduced to one lane of traffic each direction over the bridge.

- **WATER DEPARTMENT**

PROJECT ON EL RANCHO BOULEVARD AND SPAULDING LANE

The City of Pocatello Water Department will continue the project on El Rancho Boulevard and Spaulding Lane.

The Water Department crew will work between the hours of 7 a.m. to approximately 5 p.m. Monday through Thursday to replace old, obsolete water lines. The City will be installing a new water main line, new fire hydrants and water meter boxes at the front property lines. Work is being done to improve water service in the area and will take approximately eight weeks to complete. The work will also cause short-term disruptions to water service. Individuals in and around the construction zone are encouraged to keep a supply of drinking water available.

During the project, access to the construction area will be restricted to residents only and sections of the road will be completely closed while workers are digging. Residents with questions about the project are asked to contact the City of Pocatello Water Department at 208-234-6174.
