• **PATCHING**

Street Operations will continue patching potholes and curb lines in preparation for upcoming pavement treatments, which may require intermittent lane closures and possible temporary road closures as work is performed.

• **MILLING AND PAVING MAPLE STREET**

Street Operations Department will be milling and paving Maple Street, from Yellowstone Avenue to Moreland Avenue, Monday, September 9, through Thursday, September 12, 2019. Street crews will begin treatment at Yellowstone Avenue moving westward towards Moreland Avenue.

• **ROAD STRIPING**

Street Operations Department will continue striping Pocatello's roads this week. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being done.

• **JETTING STORM DRAIN LINES**

Street Operations will be jetting storm drain lines throughout the city. There may be intermittent lane closures while work is being performed.

• **IDAHO TRANSPORTATION DEPARTMENT:**

I-15 ROAD CONSTRUCTION PROJECTS

- Reconstruction of Rose Road Interchange on I-15. This project will improve mobility and safety on Interstate 15. Construction will be completed in late 2019.
- Northgate Overpass above I-15 is currently under construction and projected to be completed in the fall of 2019.

• **ENGINEERING:** No reports

- **CONTRACTORS:**

- **NORTHGATE**

- IMC (private contractor) continues to have Chubbuck Road closed for construction. Closure will be at Fairgrounds Road and Olympus Drive. Motorists are advised to use alternate routes, follow posted detours and obey posted 25mph speed limit signs. IMC expects to reopen Chubbuck Road the week of September 16, 2019.

- **WATER POLLUTION CONTROL:**

- **JETTING SEWER LINES**

- Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.

- **PUBLIC WORKS DEPARTMENT:**

- **BENTON STREET BRIDGE**

- Southbound shoulder on 1st Ave., under the Benton Street Bridge, will be closed periodically for the next few months, as needed, to allow the Contractor to perform work. Benton Street Bridge will be reduced to one lane of traffic each direction over the bridge.

- **WATER DEPARTMENT**

- **PROJECT ON SPAULDING LANE**

- The City of Pocatello Water Department will continue the project on Spaulding Lane.

- The Water Department crew will work between the hours of 7 a.m. to approximately 5 p.m. Monday through Thursday to replace old, obsolete water lines. The City will be installing a new water main line, new fire hydrants and water meter boxes at the front property lines. Work is being done to improve water service in the area and will take approximately eight weeks to complete. The work will also cause short-term disruptions to water service. Individuals in and around the construction zone are encouraged to keep a supply of drinking water available.

- During the project, access to the construction area will be restricted to residents only and sections of the road will be completely closed while workers are digging. Residents with questions about the project are asked to contact the City of Pocatello Water Department at 208-234-6174.

- **EVENTS:**

- **PORTNEUF VALLEY FARMERS MARKET May 4th – October 26th 5-8 PM**

- Union Pacific Avenue and Fremont Street (from Main St. to U.P. Ave) will be closed during this event at the times posted. Old Town Pocatello is hosting the “Portneuf Valley Farmers Market” every Saturday beginning May 4 through October 26, 2019. The event is located at the Old Town Pavilion, 420 N. Main St. The Market is open every Saturday from 9am to 1pm May through October, and every Wednesday May 22 to September 4 from 5-8pm.
