• **PATCHING**

Street Operations will continue patching potholes and curb lines in preparation for upcoming pavement treatments, which may require intermittent lane closures and possible temporary road closures as work is performed.

• **MILLING AND PAVING**

Street Operations Department will be milling and paving Park Lane (El Rancho to end), beginning September 30 and continuing through Wednesday, October 2, 2019. The road will be closed as work is performed. Motorists are advised to use alternate routes and expect delays in the area.

• **West Eldredge October 3 & 4, 2019**

Thursday, October 3 and Friday, October 4, 2019 West Eldredge Road from Pole Line Road to Hawthorne Road will be closed to through traffic. Crews from the City of Pocatello Street Operations Department will be installing a new traffic pole at the intersection of Pole Line Road and West Eldredge Road. West Eldredge Road will be closed from 7:00 a.m. to 5:00 p.m. However, local access will be provided. The project is scheduled to wrap up Friday, October 4, but due to unforeseen circumstances or inclement weather, the project may be delayed. Motorists are asked to avoid the area and use alternate routes.

• **PAVEMENT MARKINGS**

Street Operations Department will continue painting crosswalks and other pavement markings in various parts of the city. There will be intermittent lane closures while crews are painting. Drivers are advised to use caution to avoid wet paint and may experience delays at the work sites.

• **IDAHO TRANSPORTATION DEPARTMENT:**

• **I-15 ROAD CONSTRUCTION PROJECTS**

Reconstruction of Rose Road Interchange on I-15. This project will improve mobility and safety on Interstate 15. Construction will be completed in late 2019.

- Northgate Overpass above I-15 is currently under construction and projected to be completed by November 1, 2019.

- **ENGINEERING:** No reports

- **CONTRACTORS:**
 - **SEWER LINE INSTALLATION**
Crews will begin installing a new sewer line along West Sublette Street, from North Lincoln Avenue to North Grant Avenue. Crews will work between the hours of 7 a.m. to approximately 5 p.m. Monday through Friday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The work will cause short-term disruptions to sewer service and crews will notify residents before interruptions are scheduled to take place. Officials ask parents and guardians to warn children about the safety hazard and to have them stay a safe distance from the construction area. The project is anticipated to be completed by the first week of October, but due to unforeseen circumstances, the work schedule may change. Residents who have questions about the project can contact Austin Suing, Project Engineer, at 208-234-6513.

 - **NORTHGATE**
IMC (private contractor) will be closing Fairgrounds Road for replacement of sewer lines. Closure will be at Chubbuck Road and Olympus Drive. Motorists are advised to use alternate routes. IMC expects to have Fairgrounds Road closed for 3 weeks.

- **WATER POLLUTION CONTROL:** No reports

- **PUBLIC WORKS DEPARTMENT:**
 - **BENTON STREET BRIDGE**
Southbound shoulder on 1st Ave., under the Benton Street Bridge, will be closed periodically for the next few months, as needed, to allow the Contractor to perform work. Benton Street Bridge will be reduced to one lane of traffic each direction over the bridge.

- **WATER DEPARTMENT:**
 - **PROJECT ON NORTH LINCOLN AVENUE**
Beginning Monday, September 16, 2019, crews from the City of Pocatello Water Department will begin installing a new water line on North Lincoln Avenue. The project is anticipated to take approximately eight weeks to complete.

Crews will work between the hours of 7:00 a.m. to approximately 5:00 p.m. Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. Residents with questions about the project are asked to contact the City of Pocatello Water Department at 208-234-6174.
