- **SWEEPING:**

Street sweepers are currently performing their annual spring clean-up. During this time, crews will sweep each street in the city once. After clean-up is complete, crews will then move to their regular sweeping schedule.

- **PATCHING FROST HEAVES**

Street Operations will continue digging out and patching back frost heaves throughout the city. This may require intermittent lane closures and possible temporary road closures as work is performed.

- **PAVEMENT MARKINGS**

Street Operations Department will be painting crosswalks and other pavement markings in various parts of the city. There will be intermittent lane closures while crews are painting. Drivers are advised to use caution to avoid wet paint and expect delays at work sites.

### ➔ **WATER DEPARTMENT**

#### **WATER MAINLINE REPLACEMENT**

The City of Pocatello Water Department will continue replacing the water main line on West Clark Street from North Lincoln heading South West. Crews will work between the hours of 7 a.m. to approximately 5:00 p.m. Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. However, every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties

### ➔ **WATER POLLUTION CONTROL:**

#### **JETTING SEWER LINES**

Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.
