• **SWEEPING**

- Monday: Northend
- Tuesday: East Side
- Wednesday: Fairway
- Thursday: West Side
-

• **MILLING & PAVING**

The Pocatello Street Department will be milling and paving the following areas this week. No parking will be allowed on the street from 6:30 am until work is completed that day. Construction will require closing the road as work is performed. Motorists are advised to expect delays in the area and to use alternate routes.

Milling on 10/26 and Paving on 10/27

- E Lovejoy Street from S 1st Ave to S 2nd Ave and S 3rd Ave to S 4th Ave

Milling on 10/28 and Paving on 10/29

- Intersection of S Main St and W Benton St
 - Crews will have W Benton St closed from S Garfield Ave to S Main St and S Main St from W Benton St to W Halliday closed. Detours will be posted. Motorists are advised to use alternate routes.

• **PAVEMENT MARKINGS**

Street Operations Department will continue refreshing crosswalks and pavement markings this week. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being done.

- **SIGNAL WORK**

- **West Eldredge/Pole Line Rd**

- Crews will be performing signal work at the West Eldredge and Pole Line Rd intersection on Tuesday, October 27th. Motorists may experience delays or intermittent lane closures while crews are performing the work.

- **Flandro Drive/Yellowstone Ave**

- Signal maintenance will be performed on the SE corner of Flandro Drive and Yellowstone Avenue on Thursday, October 29th, beginning at 1 am. The signal will be inoperable during the maintenance. Crews will have temporary stop signs in place for the duration of the signal work. There may be intermittent lane closures while work is being performed. Motorists are advised to use caution and expect delays in the area.

- ➔ **WATER DEPARTMENT**

- WATER MAINLINE REPLACEMENT**

- Crews from the City of Pocatello Water Department will start replacing water main lines beginning Monday, October 26th on South Second Avenue near Fredregill Road and Fredregill Road. Crews will work between the hours of 6:30 a.m. and approximately 5:00 p.m., Monday through Thursday. During the project, access to the construction area will be restricted and sections of street will be completely closed while workers are digging. However, every effort will be made to provide local access when possible. Parking will also be restricted, and residents are asked to park all vehicles outside the construction zone during the day. At the close of each day, access will be restored to all properties.

- ➔ **WATER POLLUTION CONTROL**

- JETTING SEWER LINES**

- Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.
