• **JETTING STORM DRAIN LINES**

Street Operations will be jetting storm drain lines throughout the city. There may be intermittent lane closures while work is being performed.

• **PAVEMENT MARKINGS & ROAD STRIPING**

Street Operations Department will continue striping roads and refreshing crosswalks this week. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being done.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL

Crews with the City of Pocatello Water Department will continue replacing the water main line on North Grant Avenue. The total project area will span over 4,500 feet on North Grant Avenue from Center Street to West Day Street. During the project, road closures and detours will occur. Motorists are asked to use alternate routes when possible. Crews will work between the hours of 6:30 a.m. to approximately 6:00 p.m. Monday through Thursday. Access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. However, every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES

Crews will be jetting sewer lines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.
