- **SWEEPING**

Street sweepers are currently performing their annual spring clean-up. During this time, crews will sweep each street in the city once. After clean-up is complete, crews will then move to their regular sweeping schedule.

- **PATCHING**

Street Operations will be patching potholes and curb lines throughout the city in preparation for upcoming pavement treatments, this may require intermittent lane closures and possible temporary road closures as work is performed.

WATER LINE INSTALL – NORTH HAYES AVENUE

Monday, May 9th, 2022 crews from the City of Pocatello Water Department will be replacing the water main line on Hayes Avenue. The project will start at the intersection of North Hayes Avenue and Gould Street continuing southeast towards Whitman Street. Crews will work between the hours of 6:30 a.m. to approximately 5:00 p.m, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

WATER LINE INSTALL – GRANT STREET

Monday, May 2nd, 2022 crews from the City of Pocatello Water Department will continue the process of replacing the water main line on Grant Street. The project will start at the intersection of Grant Street and Clark Street, continuing southeast towards Lewis Street. Crews will work between the hours of 6:30 a.m. to approximately 5:00 p.m., Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.
