- **SWEEPING**

Street sweepers are currently performing their regular sweeping schedule.

- Monday: Northend
- Tuesday: East Side
- Wednesday: Fairway
- Thursday: West Side

- **PATCHING**

Street Operations will be patching potholes and curb lines throughout the city in preparation for upcoming pavement treatments, this may require intermittent lane closures and possible temporary road closures as work is performed.

- **MILLING & PAVING**

The Pocatello Street Department will be milling and paving Opal Ave from Samuel St. to Broadway St. for the Water Department mainline project beginning Monday, June 27th, 2022 through Thursday, June 30th, 2022.

The road will be **CLOSED** while work is being performed. During that time no pedestrians or motorized vehicles will be allowed on the roadway. There will be **NO PARKING** allowed on the street from 6:30 AM to 6:30 PM or until work is completed. Vehicles parked on the street will be towed to the nearest side street. Residents are also asked to clear the road in front of their house of any obstructions (i.e. basketball hoops, garbage containers, etc.)

If road work is scheduled to be performed on your regular garbage day, please place your container on the street as usual by 7:00 AM for pick up.

Please use alternate routes and expect delays in these areas. In the event of bad weather or unforeseen circumstances, the above schedule may be altered and work may be performed on the following work day or rescheduled and performed on a future date.

- **PAVEMENT MARKINGS & ROAD STRIPING**

Beginning Tuesday, June 21st, 2022, crews from the Street Operations Department will begin repainting crosswalks and arrows throughout the City. The work will continue for the

remainder of the season. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

- **CRACK SEALING**

Beginning June 27th, 2022, ending June 30th, 2022, crews from the Street Operations Department will be crack sealing the roads listed below. This may require intermittent lane closures and possible, temporary road closures, as work is performed. Motorist are advised to use caution and expect delays in these areas.

➔ **WATER DEPARTMENT**

➔ **WATER LINE INSTALL – NORTH HAYES AVENUE**

Beginning Monday, May 9th, 2022 crews from the City of Pocatello Water Department will be replacing the water mainline on Hayes Avenue between Gould St. to Whitman St. (Project to Last Approximately 22 Weeks). The project will start at the intersection of N. Hayes Ave. and Gould continuing southeast towards Whitman. Crews will work between the hours of 6:30 a.m. to approximately 5:00 p.m. Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The project is anticipated to take twenty-two weeks to complete but due to unforeseen circumstances, the work schedule may change.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES
