- **PATCHING**

Street Operations will be patching potholes and curblines throughout the City in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

- **PAVEMENT MARKINGS & ROAD STRIPING**

Beginning Tuesday, June 21, 2022, the Street Operations Department crew will begin repainting crosswalks and arrows throughout the City. The work will continue for the remainder of the season. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL – NORTH HAYES AVENUE

Beginning Monday, May 9, 2022 for approximately 22 weeks, crews from the City of Pocatello Water Department will be replacing the water mainline on Hayes Ave. from Gould St. to Whitman St. The project will start at the intersection of N. Hayes Ave. and Gould St. continuing southeast towards Whitman St. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The project is anticipated to take twenty-two weeks to complete but due to unforeseen circumstances, the work schedule may change.

WATER LINE REPLACEMENT – SUBLETTE STREET

Beginning Monday, August 1, 2022 for approximately 6 weeks, crews from the City of Pocatello Water Department will be replacing the water mainline on Sublette St. The project will start at the intersection of Lincoln Ave. and Sublette St. continuing northeast towards Arthur Ave. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES

Crews will be jetting and cleaning sewer mainlines throughout the City. Motorists may experience delays or lane closures while crews are performing the work.
