THE FOLLOWING INFORMATION MUST ACCOMPANY THIS APPLICATION IN ORDER TO BE COMPLETE

A. All required fees must be paid and other specified plans and materials must accompany the application.

B. One (1) hard copy and one (1) PDF of the construction/development plans measuring 11”x17” or larger containing the following information, if not previously submitted with the Subdivision Development Permit. Plans shall be to a legible scale.
   1. Grading & excavation plan with volume calculations and finishing grading contours at 2’ intervals and design benchmark.
   2. Erosion and Sediment Control (ESC) plan per Pocatello (ESC) Ordinance (section 8.44 Pocatello, Idaho City Code) depicting and noting the total disturbed area to the nearest 0.25 acres.
   3. Traffic control plan pertaining to any right-of-way work, in accordance with current edition of MUTCD.

C. Contractor shall have the following information accessible on site –
   1. Construction Drawings, stamped and approved, along with any addendums.
   2. Copy of Idaho Standards for Public Works Construction (ISPWC) and City of Pocatello Standard Revisions to the ISPWC.
   3. Federal NPDES and Local Erosion and Sediment Control approvals.

D. If a representative is submitting the application, an affidavit document evidencing the right to sign and submit items on behalf of the developer/owner is required.

I hereby acknowledge that I have read this application and state that the above information, including all submitted materials, is correct. I further agree to abide by all conditions that may be required for development of this site. I also understand that non-conformance with development conditions in a timely manner will result in automatic forfeiture of the permit. I acknowledge that approval of this application does not permit the violation of any federal or state codes, any section of the Building Code, or other Pocatello Municipal Codes as adopted. I acknowledge that I have the authority to execute this Application.
