

**INTERGOVERNMENTAL AGREEMENT  
FOR ROLES AND RESPONSIBILITIES UNDER THE NPDES  
MUNICIPAL SEPARATE STORM WATER PERMIT (Permit # IDS028053)**

This Intergovernmental Agreement entered into this 20 day of May 2020, by and between the City of Pocatello (Pocatello), the City of Chubbuck (Chubbuck), the Idaho Transportation Department, District 5 (ITD), Bannock County (County), and Idaho State University (ISU), collectively the "Permittees", is made for the purpose of complying with the federal National Pollutant Discharge Elimination System Municipal Stormwater Permit ("NPDES Permit").

**RECITALS**

WHEREAS, Congress in 1987 amended Section 402 of the Federal Clean Water Act (33 U.S.C.A. section 1342 (p)) to require the Federal Environmental Protection Agency (EPA) to promulgate regulations ("the regulations") for applications for permits for storm water discharges; and

WHEREAS, the regulations are designed to control pollutants associated with storm water discharges through the use of the NPDES permit system which allows the lawful discharge of storm water into waters of the United States; and

WHEREAS, the regulations are designed to require NPDES permits for discharges from small Municipal Separate Storm Sewer Systems (MS4s) from a system-wide or jurisdiction wide basis; and

WHEREAS, the Permittees have received a NPDES Permit, effective October 2019; and

WHEREAS, the NPDES Permit requires that the Permittees maintain an intergovernmental agreement describing each organization's respective roles and responsibilities related to this permit. Any previously signed agreement may be updated, as necessary, in accordance with this permit.

NOW THEREFORE the Parties agree as follows:

**AGREEMENT**

**1. PURPOSE OF AGREEMENT**

The purpose of this agreement is to detail the duties, roles and responsibilities to be provided by the Permittees with respect to compliance with the regulations, requirements and commitments set forth in the NPDES Permit issued by EPA.

As per Section 2.5 in the NPDES Permit:

"Each Permittee is individually responsible for Permit compliance related only to portions of the MS4 owned or operated solely by that Permittee, or where this Permit requires a specific Permittee to take an action. The Permittees must work together under a joint agreement established pursuant to this Permit. Each Permittee is jointly responsible for Permit

compliance:

- A. Related to portions of the MS4 where operational or storm water management program (SWMP) implementation authority has been transferred from one Permittee to another, in accordance with the written and enforceable agreement between the Permittees as described in this Part;
- B. Related to portions of the MS4 where Permittees jointly own or operate a portion of the MS4;
- C. Related to the submission of reports or other documents required by Parts 3 and 5 of this Permit; and
- D. Where this Permit requires action and a specific Permittee is not named.”

## **2. GENERAL PROVISIONS**

- A. The City of Pocatello, the City of Chubbuck, the Idaho Transportation Department District 5, Bannock County, and Idaho State University are co-permittees in the NPDES Permit as provided in 40 CFR 122.33(b) (iii).
- B. Each Permittee will be responsible for complying with any NPDES Permit conditions relating to discharges from those parts of the MS4 that it continues to operate and maintain.
- C. The Permittees will utilize available monitoring and enforcement mechanisms, in full cooperation with other Permittees, to control the contribution of pollutants from one MS4 to another.
- D. Each party to this Agreement shall assign at least one representative to the Permittee group, which shall meet at least annually to assess and define necessary work tasks to comply with the terms and conditions of this Agreement and the issued permit. Additional meetings will be held based on the needs of the group.

## **3. STORM WATER PERMIT PROGRAM ROLES AND RESPONSIBILITIES**

### **A. Program Administration and Management**

Pocatello shall be the lead agency for Program Administration and Management. Program Administration and Management consists primarily of:

- i. Preparing the agenda, minutes, and other documents related to the regular and special meetings of the Permittees;
- ii. Compiling the material from the Permittees for the filing of the Stormwater Management Plan (SWMP) and other required NPDES Permit documents to the EPA and/or Idaho DEQ;
- iii. Commenting on proposed regulations that may impact permit implementation.
- iv. Coordinating the development of template manuals and other documents for permittee use; and

- v. Coordinating various Permittee activities under the NPDES Permit.

The Permittees agree to cooperate with Pocatello in areas of administration, including regular attendance and participation in Permittee meetings, participation in the permit negotiations process as needed and timely submittal of data to Pocatello, upon request, for preparation of the Stormwater Management Plan and other required documents.

The Permittees shall reimburse Pocatello for their share of the Program Administration costs as set forth in Section 4 of this agreement.

**B. Monitoring Program**

Pocatello shall be the lead agency for the Monitoring Program. The Monitoring Program consists primarily of:

- a) Developing and implementing the monitoring program as described in the NPDES Permit, including the monitoring protocol, testing, and other activities;

The Permittees shall reimburse Pocatello for their share of the Monitoring Program costs as set forth in Section 4 of this agreement.

**C. Public Outreach and Training Program**

All amounts due and owing the City of Pocatello for the costs of Program Administration, Monitoring, Public Outreach/Training and other agreed upon expenses shall be paid within 60 days of invoicing.

**C. Budgeting**

The City of Pocatello shall present a budget for the following Permit Year (October –September) to the Permittees each January for consideration. The Permittees shall consider such budget, provide comment, and the budget shall be approved at a subsequent Permittee meeting held in March of each Permit Year, upon motion and approval by a majority of the Permittees present.

Throughout the Permit Year, modifications to categories within the approved budget shall be shared with the co-permittees on a semi-annual basis, at a minimum. No overall increase in the budget shall be authorized unless approved by the majority of the Permittees, and each Permittee has budget authority for such revisions.

## **5. TERMINATION AND MODIFICATION**

Each Permittee shall have the right to withdraw from and terminate its responsibilities under this Agreement at any time by serving upon all other Permittees 30-days advance written notice of withdrawal. Any Permittee withdrawing from this Agreement shall pay its proportionate share of any work performed pursuant to this Agreement up to the effective date of its withdrawal. Withdrawal from this Agreement is subject to the conditions of the NPDES Permit.

Should any party to this Agreement be determined by EPA not to be an operator of an MS4 requiring participation in a MS4 Phase II Storm Water Permit that party shall be allowed to immediately withdraw from this Agreement at no cost beyond those costs billed to the date of withdrawal. This Agreement may be modified in writing if executed by all Permittees and approved by EPA.
